ABOUT US

ATEY FOOD PRODUCTS

We have been directing the Turkish beverage industry since 2007 and successfully represent our country in the world market with our exports to the whole world.

Our company provides service with its experienced staff, innovative management and constantly developing quality understanding.

Our products, which we produce in line with our High Quality standards without compromising our corporate structure, are offered for sale both in the Turkish market and in different country markets.

Our company, which exports to many countries in production with our registered brand, reflects its experience in the sector to the products it produces.

We are proud of making a name for ourselves with our products in the growing world market.

We would like to express our gratitude to all our business partners who have been with us on this path

Our Mission & Vision

We observe the health and energy balance in all the products we produce. We continue to offer new tastes and new experiences for our primary target audience, the youth and those who feel young.

Our Mission :

To present the NERON that understands the youth and speaks their language, makes a difference with its healthy products developed for those who want to stay young and feel young, and whose values are accepted in the world markets.

Our vision :

To create an NERON that makes a difference with its healthy and high-quality products, maximizes the sense of belonging of all circles from the supplier to the end user, and is accepted in all continents.

NERON ENERGY DRINK

FROM WHERE TO WHERE

The Academy was established in Germany in 1997, and has been incorporated as part of 2012 ATEY FOOD MARKETING Inc. in order to reach out to global world.

NERON continues to globalize with the slogan

"new products, new people"

NERON as a Global Brand

Registered in 179 countries and exported to 15 countries, NERON has been the first choice of consumers in all countries to which it is exported, with its excellent content developed as a result of long researches.

OUR VALUES

Neron makes its products by giving importance to ethical values. All of our products are produced to be healthy friends of athletes, students and people who do strenuous work.

NERON ENERGY DRINK

We can safely feed our children, spouses and loved ones.

We do not sign under any product that we will not drink.

WHY IS THE NERON QUICKLY BEING THE FIRST CHOICE OF CONSUMERS ?

Neron is a fascinating elixir.

This drink contains the Ginseng plant taken from nature.

The ancient civilizations of Asia describe it as a life-giving plant. It rejuvenates the body, gives liveliness and vitality and keeps you away from fatigue and stress. In particular, this drink, which contains natural caffeine-containing Guarana substance, relieves fatigue in the body.

NERON does not contain any chemicals, it is a completely natural mixture.

EFFECTS OF NERON ENERGY DRINK

100% PERFORMANCE ENHANCER

It increases reaction rate and concentration, increases alertness, makes you feel better and stimulates metabolism.

Why should you choose us ?

- Neron is a fascinating elixir.
- Rejuvenates the body, gives liveliness and vitality
- Keeps you away from fatigue and stress
- Absolutely chemical free
- Neron is a natural blend
- Contains natural caffeine-containing guarana
